

Private Pay

All Private Pay fees will be assessed based on income.

All participants who are on the sliding scale will be reviewed annually in May of each year.

To be considered for sliding scale, you must provide the most recently completed tax return(s) for the entire household and 2 months of pay stubs for everyone living in the house. If the individual is living on their own, then you must provide a tax statement from social security office and 2 months of utility bills in their name prior to sliding scale considerations. Failure to provide the documentation will result in a placement in Tier 5.

All attendance fees are expected to be paid in advance of services.

If you are absent that fee is still charged due to staffing is done based on attendance.
